DETAILED ACTION

Supplemental

EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Bryan D. Kirkpatrick (Reg. No.53,135),agreed to amend claim 25 as follows: At the end of 2nd line insert "comprising an operational panel" in line four delete "located on" insert "of"; in line five delete "located on" add "of" and at the end of line five, add 'wherein the second side is"; further at the end of line six add "substantially"; at the end of line seven include "and wherein the scanning channel and the operation panel respectively lie in substantially parallel planes and substantially overlap one another in a direction substantially perpendicular to the substantially parallel planes", by this examiner's amendment the application believe to be in condition for allowance.

Conclusion

2. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Negussie Worku whose telephone number is (571)272-7472. The examiner can normally be reached on 9A-6PM.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Edward Coles can be reached on 571-272-7402. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR system, see http://pair-direct.uspto.gov. Should you have questions on access to the Private PAIR system, contact the Electronic Business Center (EBC) at 866-217-9197 (toll-free). If you would like assistance from a USPTO Customer Service Representative or access to the automated information system, call 800-786-9199 (IN USA OR CANADA) or 571-272-1000.
